Montag, 12. September 2022

Vacuum birefringence and X-ray polarimetry - Lecture hall (14:00 - 15:30)

time	[id] title	presenter
14:00	[2] Direct accessibility of the fundamental constants governing light-by-light scattering	KARBSTEIN, Felix
14:45	[7] Avoiding Umweganregungen in X-ray polarizers	HIPPLER, Willi
