

Molecular Origins of Life, Munich 2023

Dienstag, 20. Juni 2023

Session I: Talks (11:00 - 11:50)

-Vorsitzende der Sitzung: Tomoaki Matsuura; Miho Yanagisawa

time	[id] title	presenter
11:00	[57] Constructing artificial cells that can evolve based on the function of membrane proteins	MATSUURA, Tomoaki
11:25	[58] From cell-size confinement effects on polymer solutions to the physical significance of cell size	YANAGISAWA, Miho

Session I: Q&A (11:50 - 12:00)
