# INFORMATION

Location of the ErUM Data IDT Collaboration Meeting

The ErUM Data IDT collaboration meeting takes place at the Campus North of the Karlsruhe Institute of Technology (KIT). Steinbuch Centre for Computing (SCC), Building 449, R-140.

How to get to KIT Campus North

There are three ways to get to KIT Campus and back to downtown: By our bus shuttle service, by public transport and by car. The recommended way is taking our bus shuttle service.
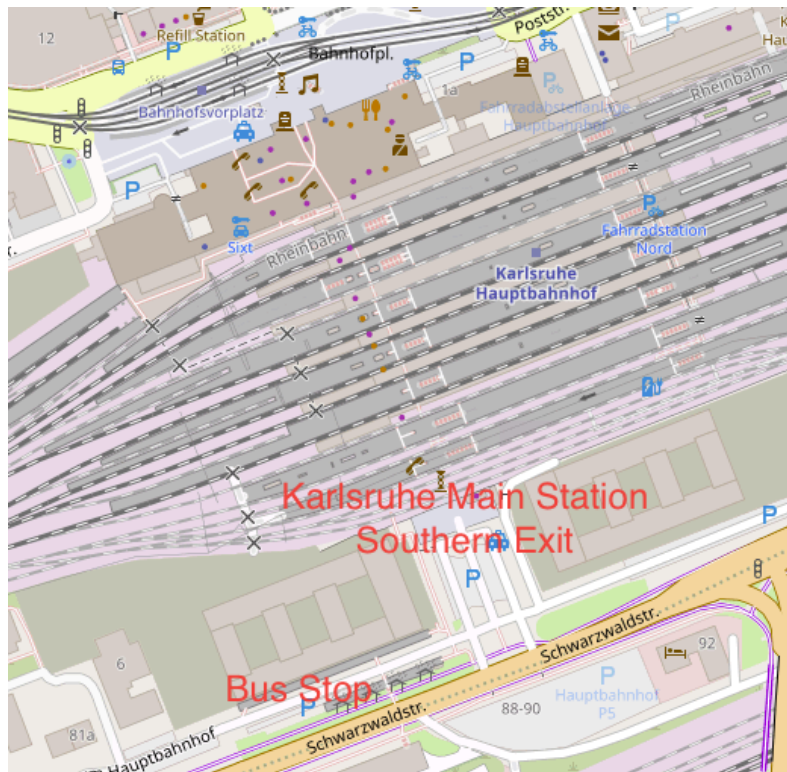

Bus shuttle service

We have registered all *external* participants at the KIT Campus North Security, so that the bus will be allowed to enter the side without any further registration. Nevertheless, you should bring along your ID card. The bus shuttle service is operated by a company called „Kasper", which written in big letters on the buses itself.
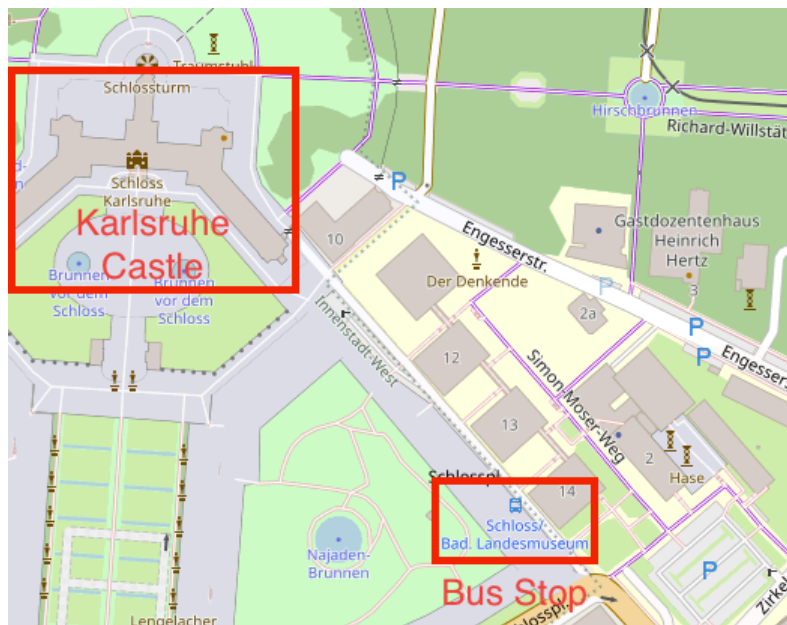

Below you can find the timetable of our bus shuttle service:

Date	Time	Start	Destination
Monday, September 30th	12:45	Karlsruhe Main Station	KIT Campus North SCC Building 449
	18:30	KIT Campus North SCC, Building 449	Bus stop „Karlsruhe Castle"
Tuesday, October, 1st	08:15	Bus stop „Karlsruhe Castle"	KIT Campus North SCC Building 449
	13:00	KIT Campus North SCC, Building 449	Karlsruhe Main Station

Below you can find the maps of the pickup locations:

Pick up location Karlsruhe Main Station. Please, ensure that you leave through the southern exit. In case you see trams, you are on the wrong side.

Pick up location Karlsruhe Castle. Bus stop „Schloss/Bad. Landesmuseum". The place where you will get off the bus on Monday evening.

Arriving by car or public transport

In case you arrive by car or public transport, you have to register yourself at the registration desk „Anmeldung" close to the main gate of KIT Campus North. Please, show your ID card and tell them that you want to visit Manuel Giffels (Institute: IKP).

Afterwards you can enter the site with your visitor badge. There are parking lots located close to the Building 449. Further information can be found on the KIT website.
