

QUANTUM TALENTS SYMPOSIUM MUNICH

16-17 September 2024

We invite outstanding early career researchers – PhD students and postdocs – in quantum science and technology from around the globe to apply for the Quantum Talents Symposium Munich.

Who can apply

- You have made a considerable breakthrough in your field within quantum science and technology and at least one publication in a high ranked peer-reviewed journal.

The symposium includes

- presentations by the ten finalists
- networking opportunities with the Munich quantum community
- award ceremony and festive dinner

Apply online until **15 April 2024**
