

Programm der Sitzung

11.-12. Juni 2026

Molecular Origins of Life, Munich 2026

Session C

LMU Munich - Great (Große) Aula
Geschwister-Scholl-Platz 1 80539 Munich Germany

Do., 11. Juni

14:30

Session C

Sitzung | **Ort:** LMU Munich - Great (Große) Aula, Geschwister-Scholl-Platz 1 80539 Munich Germany

14:30–14:55 Uhr

Archaea as a Living Archive of Biochemical Innovation in the Evolution of Complex Cells

Sprecher

Dina Grohmann

14:55–15:20 Uhr

From geo- to biochemistry: Mineral-mediated RNA Oligonucleotide Polymerization Under Aqueous Conditions

Sprecher

Eloi Camprubi-Casas

15:20–15:45 Uhr

Deep Mantle-Atmosphere Coupling and Carbonaceous Bombardment: Options for Biomolecule Formation on an Oxidized Early Earth

Sprecher

Klaus Paschek

15:45–16:05 Uhr

Moderated Discussion - Session C

16:05
